**Patents Any status - Issued patents - Applications** Patents 1 - 10 on **liquid crystallization maltitol**. (0.05 seconds)

**Sort by relevance** | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Anhydrous crystals of **maltitol** and the whole crystalline hydrogenated starch ...

US Pat. 4408041 - Filed Nov 13, 1981 - Kabushiki Kaisha Hayashibara Seibutsu Kagaku Kenkyujo  
As to the **maltitol** solution which is subjected to **crystallization** according to the present invention, any **maltitol** solution can be used regardless of its ...

Manufacturing method of high purity maltose and its reduced product

US Pat. 5141859 - Filed Oct 24, 1989 - Towa Chemical Industry Co., Ltd.  
... method of **crystallization** centrifugal sugar, etc., or combinations of them.  
It 25 is possible to make powders very easily because the **maltitol liquid** ...

Anhydrous crystals of **maltitol** and the whole crystalline hydrogenated starch ...

US Pat. 4789559 - Filed Aug 25, 1987 - Kabushiki Kaisha Hayashibara Seibutsu Kagaku Kenkyujo  
As to the **maltitol** solution which is subjected to **crystallization** according to the present invention, any **maltitol** solution can be used regardless of its ...

Manufacturing method of high purity maltose and its reduced product

US Pat. 5462864 - Filed May 18, 1992 - Towa Chemical Industry Co., Ltd.  
... method of **crystallization** centrifugal sugar, etc., or combinations of them.  
It is possible to make powders very easily because the 20 **maltitol liquid** ...

Anhydrous crystals of **maltitol** and whole crystalline hydrogenated starch ...

US Pat. 4717765 - Filed Dec 9, 1985 - Kabushiki Kaisha Hayashibara Seibutsu Kagaku Kenkyujo  
4 is a microphotograph of anhydrous crystals of sorbitol moieties. **maltitol**, X600; and (d) Paper, gas-**liquid** and high-pressure **liquid** chro- FIG. ...

Process of shaping anhydrous crystals of **maltitol** and the whole crystalline ...

US Pat. 4725387 - Filed Jan 30, 1985 - Kabushiki Kaisha Hayashibara Seibutsu Kagaku Kenkyujo  
5 is a stereo-scopic ORTEP figure of **maltitol** (d) Paper, gas-**liquid** and ... crystals (micro-crystals in lump white); **Crystallization** of the solution is ...

Food containing anhydrous crystals of **maltitol** and the whole crystalline ...

US Pat. 4917916 - Filed Mar 21, 1986 - Kabushiki Kaisha Hayashibara Seibutsu Kagaku Kenkyujo  
As to the **maltitol** solution which is subjected to **crystallization** according to the present invention, any **maltitol** solution can be used regardless of its ...

### Method for manufacturing powdery crystalline **maltitol**

US Pat. 5304388 - Filed Mar 17, 1993 - Kabushiki Kaisha Ueno Seiyaku Oyo Kenkyuio

The methods, however, are also 35 cous **liquid** with 1-15% by weight of moisture content, problematic in regard to yield and workability. The **maltitol** ...

### Shelf stable **liquid** xylitol compositions

US Pat. 5144024 - Filed Oct 11, 1990

Example 2 In another embodiment, **liquid** xylitol is prepared by mixing a solution of ... of **maltitol** to 60 pure xylitol solutions prevents **crystallization** at ...

### Viscous **liquid** compositions of xylitol and a process for preparing them

US Pat. 5728225 - Filed Dec 13, 1996 - Roquette Freres

By retarded **crystallization**, there is understood the case where the xylitol ...

Moreover, sorbitol, mannitol. **maltitol**, glycerol and hydrogenated starch ...
